

# Number Talks: Thinking with Numbers K-2

## A Math Perspectives Course

Hosted by Aurora Public Schools, Aurora, CO

### Course Details

**Dates:** Monday-Tuesday, June 8-9, 2020

**Time:** 8:30 am - 3:30 pm, with a lunch break

**Duration:** 2 days

**Host:** Aurora Public Schools

**Location:** Virginia Court Elementary School  
395 S. Troy Street  
Aurora, CO 89012

**Registration Fee:** \$345.00 per participant

A full refund will be made if written cancellation is received at least 30 days before the first day of the session. If written cancellation is received less than 30 days prior to the session, a processing fee of \$100 per participant will be charged. Participants who have not provided written cancellation according to this policy and do not attend the course forfeit their entire registration.

### Course Description

During this two-day course, teachers learn to help students acquire competence in computation using visual models and number relationships to build number sense and to develop numerically powerful strategies that make sense to students. Students work with numbers using strategies that are simple, yet meaningful and powerful. Teachers see these methods modeled as they observe children solving problems during Number Talks. Course time is also devoted to helping teachers strengthen their own understanding of mathematics.

### Registration

This course is open to teachers of grades K-2 mathematics, district math coordinators, math coaches and teacher-leaders from any school or district.

**Register at:**

Math Perspectives Teacher Development Center  
PO Box 29418, Bellingham WA 98228  
Phone 360-715-2782
